

TRAILERS FOR SPECIAL TRANSPORT

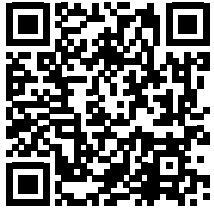

SPECIAL TRAILERS THAT GETS YOU THERE

Nooteboom Trailers B.V. is a leading international company offering their customers innovative and complete solutions for abnormal transport. Nooteboom designs and builds trailers of the highest quality with a payload of 20 to 200 tonnes. The product range includes semi-trailers, low-loaders, drawbar trailer and semi low-loaders. Every Nooteboom trailer has an excellent price-quality ratio thanks to the low total cost of ownership. Quality, reliability and the greatest ease of use are also paramount.

By continually investing in the best solutions for their customers Nooteboom is characterised by pioneering innovations in special transport. Because it is deeply ingrained in the DNA of Nooteboom to continually surprise their customers with ground-breaking innovations.
